

Recommended Clothing List

There's no such thing as bad weather - only the wrong clothes.

Billy Connolly

At Preschool, we agree with Billy Connolly! The hall itself is kept warm and comfortable at all times, but we like to get out and about into the village and forest, and enjoy free-flow play into the garden, throughout the year, and whatever the weather (within reason!) so we ask that the children come to Pre-School dressed appropriately for the weather.

The Preschool also supports learning through play and this can sometimes be quite messy! Please do send your child in clothes that you don't mind getting a little dirty, as well as a spare set in case splashy-play makes clothing wet! Please

mark all items with your child's name.

To support our children to enjoy playing safely and comfortably in all sorts of weather, we have a recommended clothing list below:

Item	Description
Plimsolls	Black indoor plimsolls available from supermarkets and shoe retailers. These are for use as 'inside-shoes' in the hall to prevent tracking of dirt into the play areas and keep them clean and pleasant for all the children to play in.
Wellington boots	These are used for outside play in the garden during wet weather, or on our regular walks and outings
Raincoat	Any winter coat which is warm and provides an element of water resistance.
Sunhat	We would prefer any hat with a brim to provide shade for the back of the neck and face as well
Winter hat and gloves	
Rucksack or cloth bag	This can be left on each child's peg to contain any spare clothing changes and other items that may be of use for them during the day.
Book bag	We operate a home reading library system at the Pre-School where the children bring home a book each week to be read to them at home. The book bag ensures that these lovely resources are kept in good condition for all our families to enjoy
Spare change of clothes	The Pre-School supports learning through play and this can sometimes be messy! In case of need, we ask for parents to ensure each child has at least one full set of spare clothes including underwear, socks, tops, bottoms and a warm layer such as a cardigan or jumper.
Waterproof trousers (optional)	These are used for our walks along the Forest Way and across the fields - sometimes we go exploring and splashing in streams.

Uniform for Purchase

Uniform is available to purchase should parents prefer this. Some items are branded with the preschool logo and others not - this is clarified in the list below. The Preschool normally will prepare an order to our supplier at the beginning of each term and will communicate with Parents to offer this with the current pricelist:

Item	Description
T-Shirts	Green T-Shirts with Forest Row Community Pre-School Logo
Polo Shirt	Green Polo Shirts with Forest Row Community Pre-School Logo
Fleece/Sweatshirts	Green zip-up hoodie with Forest Row Community Pre-School Logo
Bookbag	Green with logo
